*\*UPDATE #6\**

## **DAYTIME FULL CLOSURES OF HIGHWAY 35/SKYLINE RD IN SANTA CRUZ/SANTA CLARA COUNTIES FOR SLIP OUT REPAIRS CONTINUE THROUGH NEXT FRIDAY, DECEMBER 1**

SANTA CRUZ/SANTA CLARA COUNTY – A Hwy. 35/Skyline Road construction project between the junction of Bear Creek Road/Skyline (PM 3.6) and Thompson Road (PM 4.0, south of 19975 Skyline Rd, Frosty's Tree Farm and McKenzie Ranch) **will continue with full daytime closures Monday, Nov. 27 through Friday, Dec. 1 from 6 am until 6 pm with a possibility of additional closures the following week.** These closures are necessary to repair several slip outs due to winter storms earlier this year.

This repair work is necessary for the safety of all travelers and to improve the condition of the roadway. It consists of constructing five soldier pile walls at the various slip out locations.

**DETOUR:** Motorists wishing to reach the northern side of the closure from Bear Creek Road are advised to take Bear Creek Road down to Hwy. 17 and back up Black Road. Visitors to the ChristmasTree Farm may also use Black Road.

The contractor for this \$7,000,000 project is Granite Construction of Watsonville. This roadwork is part of a series of separate projects to repair slides and slip outs on Hwy. 1, Hwy. 9, Hwy. 35 and Hwy. 236 in Santa Cruz County. These overnight closures are scheduled to go through the mid-December, weather permitting.

**Caltrans reminds motorists to move over and slow down when driving through highway construction zones.**
